Parents needed to volunteer for field day 2010

Volunteers will be asked to run stations during field day. Each station is different and will be assigned on the day of the event. 1st, 2nd, and 3rd grade classes will be coming out at 9:00A.M. Parents will be asked to come to the school by 8:30A.M. So they can get assigned to a station and given an explanation of the stations. 4th and 5th grade classes will be attending field day at 12:45P.M. Parents will be asked to come to the school at 12:15P.M. So they can get assigned to a station and given an explanation of the stations. Parents can volunteer for both field days if they have children in different grade levels.
