

# Let's Go GREEN this Halloween!

The Beekman Elementary PTA will sponsor a  
Halloween Costume Swap and Sale

Friday, October 7, 2011

3:30 - 5:30

Did you know that more than 12,000 tons of landfill trash could be avoided if everyone swapped for a new Halloween costume rather than throwing out an old one and purchasing a new one? (Real Simple magazine, Oct. 2011)

### Swap Rules:

- Put your old costume(s) and/or accessories in a bag and staple the tear off below onto the bag. The costume and accessories should be in good condition.
- You or your child should place the bag on the Halloween table in the lobby of BES by Wednesday, October 5th.
- OR you may bring a costume to BES on the day of the swap.
- On the day of the swap you are entitled to swap for a new costume of your choice.
- If you don't have a costume to swap you may come in and purchase one.
- Unswapped/unsold costumes will be donated to Goodwill.
