"Kickball for Life"

March 22, 2010

Dear Parents and Guardians,

On **May 20, 2010**, the students at Beekman Elementary School and their families will have the opportunity to take part in our fourth annual "**Kickball for Life**" tournament. This is a fund-raiser that will raise money for the American Cancer Society. We are inviting all students (grades kindergarten through fifth), parents, and siblings to come play together. This event will help to emphasize the unity we all share in working together towards the fight against cancer. It is important for the children to realize that every little bit of effort they give can make a difference. We are trying to raise money as well as awareness in the children.

For this event we are asking that each individual planning to play on a kickball team, purchase a T-shirt. **The cost of each T-shirt is \$8.00** and will feature our kickball for life logo on the front and a list of event sponsors on the back. Please fill out the attached form with the appropriate number of T-shirts that you would like to order and the number of players who will participate in the kickball tournament. Please fill in all of the information as it gets confusing to put the T-shirt order together without all appropriate information.

"Kickball for Life" will take place on **Thursday, May 20 from 5:00 to 7:30** at Beekman Elementary School. Registration will begin at **4:30 p.m.** and the games will begin promptly at **5:00 p.m.** If you are not already convinced to come, the final game of this tournament will be a game between the Beekman Elementary School teachers and a group of New York State Troopers. If you have any questions about this event or if you are interested in getting involved, please contact Rebecca Vachovetz at (845)227-1834. Along with the great entertainment of kickball, food and raffles will be available to purchase. Thank you for your support and involvement in this great cause!

Thank you,
Beekman Faculty and Staff
