

PARP 2010

PARENTS AS READING PARTNERS

CATCH THE WAVE...

IT'S TIME FOR AN UNDERSEA ADVENTURE AS WE
"DIVE INTO READING"

PARENT INFORMATION AND DIRECTIONS

Welcome to another year of PARP. We want to thank you in advance for your participation in our program and also for the help you provide in making this a successful program each year.

Attached please find your child's reading contract along with the log sheet for the weeks of reading. *Please return the signed contracts to school ASAP.*

- ◆ Please have your child circle or color one picture in the corresponding week for each day that you read with them.
- ◆ When the week is completed please tear/cut off that corresponding week and return it to school.
- ◆ Please note that the first week's log sheet is on the bottom of the page and continues working upward.
- ◆ Please make sure your child signs the sheet and includes their teacher's name. Parents, please initial as well.
- ◆ Only children that participate in PARP will receive the incentive prizes each week.
- ◆ If the child was absent on the day the log slips are due they are still eligible for an incentive. Return them when the child returns to class.
- ◆ All slips are to be handed in even if they are late. The children that are late returning their slips will receive their incentive as they are tallied by the PTA.
- ◆ Reading will begin on Monday, February 22 and continue until Friday, March 19.
- ◆ **New for 2010:** A weekly Principle's PARP Challenge. See reverse side for more information.

The **Beekman PTA** is looking forward to a successful PARP program. If anyone has any questions or concerns please let us know.

We hope that you and your children enjoy what we have planned!

All our best,

The PARP Committee
